As a dedicated Software Development student at Bow Valley College, I am proficient in programming languages such as C, C++, C#, Python, and SQL, with a strong focus on front-end technologies including HTML, CSS, JavaScript, React, jQuery, and Node.js. I successfully developed a visually appealing website in my first term, showcasing my ability to create user-friendly web applications. With strong problem-solving, communication, and organizational skills, I am committed to delivering high-quality results. I am eager to contribute to innovative full-stack, front-end, and back-end development projects and continue growing as a developer.

Willing to relocate: Anywhere

Work Experience

Web Development Intern

Prodigy InfoTech-Mumbai, Maharashtra

July 2024 to August 2024
